welcome!

Welcome to our 2018 Winter/Spring recreation program brochure. Our department is pleased to offer you a wide range of activities for the entire family to enjoy during the upcoming months.

The Menomonie Parks and Recreation Department activities continue to provide a valuable service to our community. Opportunities for learning new skills, building self-confidence, keeping physically active, reducing stress, and allowing time to spend with family and friends, are just a few benefits of our programs and services. The support of this community for the parks, recreation and aquatic programs has been excellent in the past and we trust that you will support us by continuing to be involved.

If you have any questions or comments regarding our program offerings please contact our department. We place a strong emphasis on being able to meet the needs of the community and are anxious to hear from you with any suggestions. We also have vacancies on the Parks and Recreation Advisory Board. This board meets once per month to provide input for the department on recreation and park issues. Please contact Mayor Knaack or our department if you are interested in serving on this board.

So be sure to take time to discover and enjoy the many opportunities and benefits available to you with the Menomonie Parks and Recreation Department. We hope to see you at our programs or in the parks.
